

# V7 Ultra Protective Sleeve for Tablet PCs up to 8" and all iPad mini - black-orange

TDM23BLK-OG-2E

## Key Features

- High Quality Easy-Grip Zipper for instant access
- Anti-shock "EVA"-foam padding for extra screen protection
- Impact and shock resistance with Anti-shock EVA bubble foam lining
- Two-tone color design with colored accent trim and interior lining
- Easy access to iPad Mini headphone jack with top loading zipper design

## Overview

Durable construction with anti-shock EVA padding protects from simple slips and drops, the V7 Ultra Protective Sleeve is compact and allows you to safely transport your iPad mini or tablet in any bag or just on its own without adding bulk and weight. The minimal design, yet sturdy sleeve with a soft velvety lining comes in five color combinations of black with green, gray, orange, red or purple allowing you to customize your iPad or tablet sleeve to suit your personality. Extremely light weight, it uses a form fitting material that perfectly accommodates iPad mini and tablets up to 7.9 inches.
